

The Heartland Institute's 5th Annual Emerging Issues Forum

University Club of Chicago, 76 East Monroe Street, Chicago
Thursday, October 25, 2007 • 7:30 a.m. - 3:30 p.m.

Sponsorship Form - Fax to 312/377-5000

We plan to have four or five panel discussions and two keynote speakers (breakfast and lunch). Possible topics for the panels include education reform, climate change, energy policy, health care, financial services, and taxes and budgets. Because of time limitations, we may not be able to address all of these topics. Your financial support for this event will help ensure that topics of particular interest to you are on the program and addressed by the speakers.

I would like to be invoiced \$5,000 (Silver Sponsor), and receive:

- input on the topics to be addressed during the EIF
- logo in the program for the EIF and the Benefit Dinner
- 4 tickets to attend the EIF
- a Silver-area Table (seating for 10) or 10 individual tickets for the Benefit dinner
- acknowledgment in the book published after the conference containing the proceedings

I would like to be invoiced \$10,000 (Gold Sponsor), and receive:

- assurance that one panel at the EIF will address a topic you suggest
- logo in the program for the EIF and the Benefit Dinner
- logo on signs at the registration desks for both events
- 6 tickets to attend the EIF
- choose a speaker or moderator for a panel
- a Gold-area Table (seating for 10) or 10 individual tickets for the Benefit dinner
- acknowledgment in the book published after the conference containing the proceedings

I would like to be invoiced \$20,000 (Platinum Sponsor), and receive:

- assurance that one panel and a keynote speaker at the EIF will address topics you suggest
- logo in the program for the EIF and the Benefit Dinner
- logo on signs at the registration desks for both events
- 8 tickets to attend the EIF
- the opportunity to help choose and introduce a breakfast or luncheon speaker
- a Platinum-area Table (seating for 10) or 10 individual tickets for the Benefit dinner
